Dear Customer,

Re.: Salers Cattle Society Autumn Show & Sale; Welshpool Livestock Market.

We are proud of the opportunity to offer you our services in conducting the above sale of Salers cattle on **Saturday 14th October 2017**.

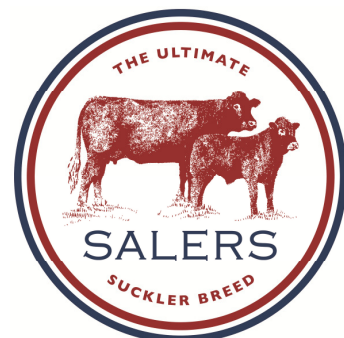

Enclosed are entry forms for afore mentioned sale, for your reference we have also included society ruling information regarding herd health regulations for society sales. Entry forms, along with the correct entry fee, pedigree certificates and health declaration must be returned to the market office no later than **Friday 1st September**.

All cattle forward must be: tested BVD free and preventatively vaccinated 2 weeks prior to the sale. Please pay particular attention to the societies advise given on Johnes and BVD with regards to sales. If entering cattle not belonging to your herd the current health status of those cattle must be declared. For further assistance please contact us here, at the mart office, on: 01938 553438 or the Salers Society Secretary, Liz Wilde, on: 07903 626249.

We would like to thank you for your support, and look forward to another Society sale.

Yours sincerely,

Steven Lewis,
Welshpool Livestock Sales Ltd.

Salers Cattle Society Autumn Show & Sale at Welshpool Livestock Market

(held under the auspices of the Salers Cattle Society of the UK Ltd)

on **Saturday 14th October 2017**

Entries must be received by Friday 1st September

Pedigree & Commercial Salers Cattle:

- Entry fee of £50+VAT for all pedigree cattle. £40+VAT of which will be refundable on sale of animal or presentation of veterinary certificate. Cheques to be made payable to Welshpool Livestock Sales Ltd. No entry fee for commercial cattle
- The original pedigree certificate must be forwarded with the entry forms and correct fee
- Pedigree cattle to be sold in guineas. The commission on pedigree sales will be: the guinea – auctioneers and 2% - Salers Society.
- The commission on commercial cattle will be: 3.1% - auctioneers and 1% - Salers society
- All pedigree cattle must be halter trained and wear nose leaders
- All cattle will be inspected at the market by a veterinary surgeon, and by a Society approved inspector; cattle will be paraded for this inspection
- Pedigree cattle must have non carrier status for beta mannosidosis either by DNA test or by parentage
- All cattle must comply with Salers Cattle Society of the UK rules regarding Herd Health.

Please Note:

- Any cattle deemed not to standard will be rejected and must be removed from the premises prior to the sale
- Any animal showing signs of bad temperament will be rejected (Society's decision is final)
- Weights and scrotal sizes (see guidelines overleaf) must be within the society guidelines
- All vendors must comply with all legal movement requirements
- All cattle must be pre-movement TB tested. All entrants must disclose TB testing time

Failure to comply with any of the above will result in animals being rejected from the sale

This sale is restricted to members of, and cattle registered with, the Salers Cattle Society.

The official registration certificate issued by the society must accompany the entry form and entry fee along with the enclosed herd health declaration.

Herd book numbers of sires and dams, grand sires and grand dams of all entries should, where known, be inserted by the consignors on the warranty certificate for insertion in the catalogue.

An A.I. certificate must accompany the entry forms for any cows or heifers being sold described as in-calf by A.I.

Entries for recipients with full blood or purebred calves at foot are also invited.

A cow and calf may be allocated:-

- A. One lot number therefore sold together as one consignment (single entry fee), or
- B. Individual lot numbers therefore sold separately, providing the calf was born before 1st January 2017 (double entry fee)

Pedigree Cattle:

All pedigree cattle require an entry fee of £50+VAT. This must accompany all entry forms, or entries will not be processed. Cheques to be made payable to Welshpool Livestock Sales Ltd.

All pedigree cattle must be halter trained and led wearing nose leaders. Bad temperament is not accepted.

Animals ears must be clean and tattoos (if applicable) must be stated and will be checked to be correct prior to the inspection.

It must be stated, if any cows entered, have been flushed and how many embryos have been taken.

In the case of bulls, it must be stated if any semen has been retained and if so how many straws.

Please refer to 'weight for age' chart and 'scrotal circumferences' overleaf. The Society appreciates that it is a suckler cow breed; the chart should be used as a general guide. If unsure contact the Salers society, on: 07903 626 249.

All full-blood and purebred cattle must have a non-carrier DNA status for beta mannosidosis. No cattle will be accepted without a DNA non-carrier status.

All cattle will be inspected. Any cattle not of the required standard must be removed.

Notification of movements to BCMS:

The auctioneers will notify BCMS electronically of the movements through the market. Both the vendor and purchaser still need to send their own notifications.

TB testing:

All cattle over 42 days of age, from 1 and 2 year testing areas, will need to have been TB tested within the last 60 days prior to the sale date.

Pre-movement TB testing is compulsory in 1 and 2 year testing areas.

It is the responsibility of the vendor to check with the auctioneers prior to the sale, what is required. No cattle can be accepted for the sale unless official documentation regarding TB accompanies the entry form.

Johnes:

All cattle entered and presented at this sale must be from vendors who are members of a CHeCS Herd Scheme, and who comply with the current Salers Society ruling for BVD FREE SALES, and have established their JHONES herd status and are actively monitoring and culling diseased animals from the herd. Please note that the Johnes test results act only as an indicator for the herd at the time the test is carried out. In no way is it offered or implied as a guarantee of freedom from Johnes.

BVD:

All cattle for sale must be from a BVD CHeCS accredited herd or have been individually tested BVD Antigen negative. All such animals MUST be fully vaccinated at least two weeks prior to the sale. Females that are sold in-calf or running with the bull must be from a BVD accredited herd or individually tested BEFORE service, with the BVD status of the bull being determined BEFORE he serves any females that are to be sold.

ALL DATES OF VACCINATIONS MUST BE GIVEN TO THE MART OFFICE

IF ENTERING CATTLE NOT BELONGING TO YOUR HERD THE CURRENT HEALTH STATUS OF THOSE CATTLE MUST BE DECLARED

WEIGHTS AND SCROTAL CIRCUMFERENCES MUST BE WITHIN SOCIETY GUIDELINES

FAILURE TO COMPLY WITH THE ANY OF THE ABOVE WILL RESULT IN ANIMALS BEING REJECTED FROM THE SALE!!

If in doubt, regarding the cattle you wish to enter, please contact the society secretary (Liz Wilde; 07903 626 249) to arrange a preliminary on farm inspection. This however, does not guarantee the animals will be passed on the sale day.
